

## Sponsoring our Chapter

Consult Your Community (CYC) is a student-run, nationally registered nonprofit organization that provides pro-bono consulting services to small business owners and entrepreneurs in the local community. The Georgia Tech chapter, specifically, is an elite group of 60 hand-selected members who are all passionate about the consulting field as well as giving back to their community. Over the past few years, the Georgia Tech CYC has had the opportunity to provide consulting services to a variety of different small businesses across the metro Atlanta area.

If interested in becoming an official sponsor of Consult Your Community, the CYC Executive team would love to discuss further details with you. If you are interested in giving an info session at one of our General Meetings this Fall, we need to know a sponsorship level prior to **August 10th** so that we can begin confirming dates. Priority in semester/date selection for info sessions & general meetings will be determined by sponsorship level.

Please feel free to reach out with any questions and/or you are interested in sponsorship and would like to discuss the opportunity in more detail!
